BRYTE'S RENEWAL INCREASE

Bryte's figure is before the increase it has said it will add to trucks, trailers and cars. Every **5%** it adds costs about **R8,034 a month**. At about **13%** the recommendation costs the same as staying.

WHAT THE DIFFERENCE BUYS

Bryte insures your **R7.8m of tractors, forklifts and plant for third party only**: if one is damaged or stolen, nothing pays. The recommendation covers them in full, adds roadside assistance on every truck and car, and accident cover for your drivers.
