For clarity it is noted that in cases where a deductible is expressly recovered by the Insurer from the Insured the deductible amount in terms of the policy so recovered does not constitute a consideration as defined in the VAT Act and such has no VAT consequence. In terms of a ruling issued by SARS, this document together with proof of payment of premium constitutes an alternative tax invoice, debit note or credit note as contemplated in sections 20(7) and 21(5) of the VAT Act respectively.

National Power Failure (Blackout) Exclusion All losses, directly and indirectly (consequential) resultant from the occurrence of a National Power Outage (Blackout) are excluded from cover. A National Power Outage (Blackout) is described as the occurrence of a total failure of the South African power network operated by an authority empowered by law. The failure would be the consequence of the electricity demand exceeding electricity supply, thus resulting in a failure of the network to provide power to its users, nationally. In addition, any losses due to intermittent power supply/load shedding, in an attempt to prevent a national power grid failure, or a regional outage instituted by the utility provider due to a national power grid failure, is also excluded from cover

Material Damage Policy 2026

Sasria provides non-life insurance cover against special risks that the broader insurance industry does not cover. This document is the legal and official version of your Sasria policy wording. The laws of South Africa govern this policy.

Your Sasria policy and the underlying policy.

There must be an underlying policy in force before Sasria cover can be issued. The Sasria cover attaches to terms, conditions, exceptions, exclusions and warranties of the underlying policy. Sasria's cover only applies to the basic cover of the underlying policy. It does not automatically apply to any additional perils and extensions, deductibles, benefits and incentives included in the underlying policy, whether optional or not.

03

The Insured.

Sasria cover is subject to the Limit of Indemnity and operation thereof as set out in this Policy.

Sasria will cover the following as an Insured:

1. A natural person for its own rights and interests in the Insured Property;
2. A municipality as defined and established in terms of the Local Government: Municipal Structures Act 117 of 1998 as and when amended, for its interests in the Insured Property;
3. A Company, and a Holding Company and all of its Subsidiaries on a joint basis for their collective interests in the Insured Property;
4. A Subsidiary of a Holding Company, or an incorporated juristic person (in accordance with and recognised by the Companies Act or other enabling legislation) where it is not already insured jointly with a Holding Company, for its interests in the Insured Property.

Sasria does not issue cover on a joint basis to consortiums, co-owners of property, unincorporated joint ventures, or any other unincorporated juristic entity, juristic person, or association(s) that are not recognised and incorporated, and which are not capable of obtaining separate legal personality with provisions that allow for the separation of assets and liabilities from members or partners of the entity. This is so, irrespective of the interest that such parties may have in any Insured Property. To the extent that such parties require Sasria cover, they will need to be covered in accordance with one of the categories set out above, and not separately as a consortium, co-owners, unincorporated joint venture or any other unincorporated juristic person or association.

Sasria acknowledges that parties that fall within the four Categories set out above may have a joint interest of any nature in Insured Property, which respective interests may be covered under separate Policies issued by Sasria to such parties in accordance with the Categories set out above. The cover available for such Insured Property, regardless of how many respective Insured parties have an interest therein and how many Policies cover the interest in respect of that Insured Property, may never exceed the Sum Insured of that Insured Property or the aggregate Limit of Liability of R500 000 000.00, whichever is the lesser. The R500 000 000.00 aggregate Limit of Liability does not accumulate for an Insured Property that is insured under separate Policies.

Notwithstanding the definition and description of the Insured on the Schedule:

1. Sasria contracts with all insured entities forming part of the Insured on a joint basis and the cover provided by Sasria applies collectively to the insured entities forming part of the Insured.
2. The rights and obligations of the insured entities forming part of the Insured are joint and not several.
3. Any Limit of Indemnity or sub-limit (where applicable) applies once jointly to the insured entities forming part of the Insured and not separately to each such entity.

04

General Conditions.

The following General Conditions are applicable to this Policy. The Insured must comply with each General Condition in order to be entitled to compensation under this Policy. Any non-compliance or failure by the Insured to comply with any of the below General Conditions entitles Sasria, without prejudice to any other right it may have, to reject any claim.

1. Communications with Sasria

1.1 All communications and correspondence of the Insured pertaining to any aspect of this Policy, including claims communications and any disclosures must be directed to the Sasria Agent or to Sasria directly.

2.2 The Premium must be **paid in advance**, on or before the date specified on the Schedule, each month or each year (depending on the Period of Insurance) or within a grace period as allowed and communicated to the Insured by the Sasria Agent, up to a maximum of 30 days ("**the Grace Period**").

2.3 If the Insured does not pay the Premium on, before or within the Grace Period, Sasria will not be required to indemnify the Insured for any Loss or Damage and this Policy **will automatically terminate at midnight on the last day of the previous Period of Insurance**.

3. Premium Adjustment

3.1 The Insured shall, after the expiry of each Period of Insurance or, if a monthly Policy, each period of 12 consecutive months from the inception or anniversary date of the Policy, furnish the Sasria Agent with such particulars and information that Sasria may require for the purpose of recalculating or adjusting the premiums for any such Period of Insurance.

4. Amendment(s) and Cancellation(s)

4.1 The Insured may cancel the Policy on 30 days written notice to the Sasria Agent.

4.2 Sasria may cancel the Policy in circumstances where premium has not been paid in accordance with the Payment of Premium condition.

4.3 On any such cancellation as referenced above, provided that there has not been a claim within the Period of Insurance, the Insured is entitled to a return of pro rata amount of Premium for the remainder of the Period of Insurance from the date of cancellation save for the customary short period or minimum premium for the period the policy has been in force.

4.4 In the case of an annual/monthly Policy, Sasria may make amendments to the Policy at renewal or anniversary of the Policy.

5. Claims

5.1 On the happening of any event or occurrence which may result in a claim under this Policy, the Insured must, at its own expense:

5.1.1 **As soon as practicable, but not later than 48 hours**, after the event or occurrence, inform the police and take all practicable steps to discover the guilty party;

5.1.2. Within **30 calendar days of the event or occurrence** give written notice thereof to the Sasria Agent and provide particulars of any other insurance covering such events or occurrences;

5.1.3 **As soon as practicable, but not later than 60 calendar days** (unless otherwise agreed by Sasria) after the event or

occurrence submit to the Sasria Agent full details (including but not limited to documents, quotations, assessment reports) in writing of a claim that has been notified in accordance with clause 5.1.2 above;

5.1.4 Render all assistance in the identification and physical recovery of such goods if lost or stolen goods or any part thereof are located, provided that reasonable expenses in rendering such assistance will be reimbursed by Sasria. Any such reimbursement is subject to and not in addition to the Limit of Indemnity.

5.2 The Insured must not do anything which prejudices or limits Sasria's right of recovery against any other party.

5.3 The Insured may not make any admission, statement, offer, promise, agreement, undertaking or payment without Sasria's express written consent.

5.4 On the happening of any event or occurrence in terms of which a claim is or may be made under this Policy, Sasria, the Sasria Agent, and any person authorised by Sasria may, without incurring any liability and without diminishing the right of Sasria to rely on any provision of this Policy:

5.4.1 Take, enter or keep possession of any Damaged Insured Property and deal with it in a reasonable manner. The Insured may not abandon any Insured Property to the Insurer, whether taken possession of by the Insurer or not;

5.4.2 Prosecute in the name of the Insured any claim for indemnity or damages or otherwise and shall have full discretion in the conduct of any proceedings and the settlement of any claim.

5.5 The Insured shall do and permit to be done all such things as may be required by the Insurer for the purpose of enforcing any right to which the Insurer shall be or would become subrogated upon indemnification of the Insured, whether such things shall be required before or after such indemnification.

5.6 In the case of a Total Loss, on indemnification by Sasria, the rights to the salvage of any Insured Property vest in Sasria and Sasria is authorized to dispose of the salvage as it deems fit.

6. Time Limitations

6.1 **No claim will be payable after the expiry of 24 (twenty four) months** (or such further time as Sasria may expressly allow in writing) from the happening of the event or occurrence, unless the claim is the subject of a pending legal process against Sasria.

6.2 Subject to the provisions of the Policyholder Protection Rules (where applicable), where Sasria elects to reject a claim, **the Insured has a time period of 6 (six) months** from the date on which the rejection of the claim is received by the Insured or an authorised agent of the Insured within which to institute a legal process against Sasria claiming payment of the claim, failing which no claim will be payable and Sasria will not have any liability to the Insured in terms of such a claim.

7. Changes to Risk Information

7.1 The Insured must disclose any changes to the Risk Information, including but not limited to changes to the management, ownership or control, any change in the nature of the business carried out or changes in operating conditions or values at risk, to the Sasria Agent in writing as soon as possible, but not later than 10 (ten) days after the Insured became aware of the changes to the Risk Information.

7.2 If the Insured does not disclose changes to the Risk Information as aforesaid then, without prejudice to any other rights it may have, Sasria is entitled to reject any claim.

8. Company Information and Basis of Cover

8.1 The basis of cover in terms of which a Policy will be issued to the Insured is dependent on the Insured's representation of accurate company information, including but not limited to details of holding company, subsidiaries, subsidiaries of subsidiaries.

8.2 If, after inception of a Policy, Sasria becomes aware of or determines that the basis of cover and manner in which a Policy was issued was incorrect and not in accordance with the Insured and basis of cover clause above, the incorrectly issued Policy is, without prejudice to any other rights Sasria may have, voidable at the election of Sasria, irrespective of whether the Insured made a representation or not, or whether any representation was material.

9. Misrepresentation and non-disclosure

9.1 Sasria is entitled to rely on representations and disclosures of Risk Information and any other information made by the Insured to Sasria or the Sasria Agent pertaining to the risk covered by this Policy at inception or during the currency of this Policy.

9.2 Any material misrepresentation or non-disclosure of any Risk Information by the Insured or any party representing the Insured, whether at inception of the Policy or during the currency of the Policy, to Sasria or the Sasria Agent shall entitle **Sasria to avoid the Policy or any item or section of the Policy affected by such misrepresentation or non-disclosure as from the date of such misrepresentation or non-disclosure.**

9.3 In the alternative and only to the extent that an avoidance of the Policy or any section thereof is not upheld, Sasria may rely on the material misrepresentation or non-disclosure to reject a claim as a result thereof.

10. Reasonable Precautions

10.1 The Insured warrants that it will take **all Reasonable Measures, including but not limited to reasonable steps and precautions to prevent and mitigate any Loss or Damage**, which includes but is not limited to **compliance with and adherence to:**

10. 1.1. **all laws, regulations and standards; and**

10.1.2. **any additional risk mitigation measures prescribed by the Sasria Agent in terms of Material Damage cover or such measures as prescribed in terms of this Policy ("Additional Risk Mitigation Measures").**

10.2 The Insured warrants that it does comply with and adhere to all laws, regulations and standards applicable to the Insured and the Insured Property, as well as Additional Risk Mitigation Measures as defined above.

10.3 Should the Insured fail to take all Reasonable Measures, reasonable steps and/or precautions to prevent and mitigate any Loss or Damage, or fails to comply with or adhere to, in any respect, with laws, regulations and

standards and Additional Risk Mitigation measures, Sasria may, without prejudice to any other rights that it may have, reject the claim.

11.1 If the Insured has submitted a claim which has been accepted as valid by Sasria, Sasria will indemnify the Insured by, at Sasria's election and within its sole discretion, making payment to the Insured, or by repairing, replacing or reinstating the Insured Property subject to the Basis of Settlement clause, the application of Average, the Sum Insured and the Limit of Indemnity.

12. Limit of Indemnity

12.1 The Limit of Indemnity of the Insured is R500 000 000.00 (five hundred million Rand). The Limit of Indemnity applies in the annual aggregate and is the amount of cover that the Insured has for the annual Period of Insurance. The Limit of Indemnity for the annual Period of Insurance will be reduced by the amount paid in terms of all claims until it is depleted, and will not automatically reinstate after every claim.

12.2 The Limit of Indemnity includes Extensions elected by the Insured which are insurable by Sasria as reflected on the Schedule.

12.3 The Limit of Indemnity applies jointly in terms of the following classes of business: Material damage (Fire, Goods-in-Transit and Marine, Money, and Business interruption) of Sasria cover, and does not apply separately to each such class of business.

12.4. Where the Insured is a Mayor or Councilor and is covered under the Municipality Cover the applicable maximum annual aggregate Limit of Indemnity is R1 500 000.00 (one million five hundred thousand Rand) only and may never exceed this within a period of insurance.

by the Insured at inception and/or renewal of this Policy. The Sum Insured must be adequate and representative of such value at risk of the Insured Property.

13.2 While the Sum Insured as represented may exceed the value of Loss or Damage suffered and may exceed the value of the Limit of Indemnity, the Insured will only ever be entitled to claim the value of the Loss or Damage suffered, subject to the Limit of Indemnity.

14. Application of Average

14.1 Following Loss or Damage, if the value at risk of the Insured Property is greater than the Sum Insured as represented to Sasria or Sasria's Agent in the Risk Information, the Insured will be considered its own insurer for the difference between the value at risk and the Sum Insured, and Sasria is entitled to apply Average (as defined) to any payable claim, in terms of which its liability for any Loss or Damage will be reduced proportionately to the percentage difference between the value of the Insured Property and the Sum Insured.

14.2 In circumstances where an Insured has an interest in the Insured Property together with another party that is covered for its respective interest under a separate Policy (in accordance with the Insured and Basis of Cover clause above), any incorrect or inaccurate representation of a Sum Insured by such other party with an interest in the Insured Property will not have an impact on the Insured where the Insured made a correct and accurate representation of the Sum Insured.

14.3 This Policy is not written on a first loss limit basis and Average, and this General Condition, applies to each and every claim unless otherwise expressly communicated by Sasria.

15. Territorial Limits

15.1 The cover under this Policy is limited to Loss or Damage that occurs within the Territorial Limits which are as follows:

15.1.1 The Republic of South Africa and its territorial waters (up to and including 12 nautical miles from the baseline of the coast); and

16.1.1 any claim or part of a claim is in any way fraudulent, or if any fraudulent means or devices have been used by the Insured or any party representing the Insured to obtain any benefit under this Policy;

16.1.2 if an event or occurrence which leads to Loss or Damage claimed for under this Policy was as a result of the intentional conduct of the Insured or any person acting on behalf of the Insured or with the Insured's connivance;

16.1.3 fraudulent information and/or documentation is provided by the Insured or by any other person in substantiation of a claim under this Policy (irrespective of whether the claim itself is fraudulent or not); or

16.1.4. if the quantum of any claim is intentionally exaggerated by the Insured, or by any other person, to any degree (irrespective of whether the claim itself is fraudulent or not).

16.2 Where Sasria elects to cancel the Policy as a result of the above-listed circumstances, **such cancellation will take effect on midnight the day before** any event which gave rise to the claim first occurred.

16.3 Sasria will in these circumstances be entitled to recover from the Insured any payment made to the Insured after that effective date of cancellation, and there will be no obligation

17. No Rights to others

17.1 Only the Insured may claim under this Policy, and any claim will be limited to the extent of the Insured's interest in the Insured Property unless otherwise provided.

05

Basis of Settlement for Material Damage

In the event of Sasria accepting a claim, it will, at its election and in its sole discretion, compensate the Insured for the Loss or Damage in accordance with this clause and subject to the Limit of Indemnity and the Application of Average condition.

Any salvage recoveries or payments recovered or received by the Insured prior to any claim payment by Sasria shall reduce the amount of any claim settlement accordingly.

If the Insured Property is the subject of a financing arrangement and the Financier and its interest was expressly disclosed and noted on the Schedule, then Sasria will first make payment to the financier in accordance with its remaining interest in the Insured Property, and the balance of any compensation for the Loss or Damage payable by Sasria will then be paid

Sasria will cover the following as an Insured:

Buildings

In the event of Insured Property (other than Stock, documents or as otherwise expressly stated below) being Damaged or Lost, the basis upon which the amount payable is to be calculated shall be the cost of replacing or reinstating on the same site property of the same kind or type but not superior to nor more extensive than the Insured Property when new, provided that:

1. The work of replacement or reinstatement (which may be carried out upon another site and in any manner suitable to the requirements of the Insured, subject to the liability of Sasria not being thereby increased) must be commenced and carried out with reasonable despatch. Otherwise, no payment, beyond the amount which would have been payable if these reinstatement value conditions had not been incorporated herein, shall be made.

2. Until expenditure has been incurred by the Insured in replacing or reinstating the property, Sasria shall not be liable for any payment in excess of the amount which would have been payable if these conditions had not been incorporated herein.
3. If, at the time of replacement or reinstatement, the sum representing the cost which would have been incurred in replacement or reinstatement (if the whole of the Insured Property had been damaged) exceeds the insured amount thereon at the commencement of any Damage to such Insured Property by a Defined Event, then the Insured shall be considered as being their own insurer for the excess and shall bear a rateable proportion of the loss accordingly. Each item of this section (if more than one) to which these conditions apply shall be separately subject to this provision.
4. These conditions shall be without force or effect, and the amount payable will revert to the reasonable Market Value if:
- The Insured fails to intimate to Sasria within six months of the date of Loss or Damage or such further time as Sasria may, in writing, allow, his intention to replace or reinstate the Insured Property.
 - The Insured is unable or unwilling to replace or reinstate the Insured Property on the same or another site.

For purposes of this clause, the Insured Property shall be deemed to have been repaired or reinstated when it has been restored to a condition substantially equivalent to, and fit for, the same operational use immediately prior to the occurrence of the Damage. This requires that all essential structural, mechanical, electrical and safety-related components have been reinstated to a functional and lawful standard, enabling the Insured Property to be used for its intended purpose.

The Insured Property need not be restored to an identical aesthetic condition, nor must non-essential finishes, improvements or enhancements be fully completed, provided that any outstanding work does not materially impair safe, practical or lawful occupation or use of the Insured Property.

Stock

In the event of Loss or Damage to Stock of the Insured, Sasria will, subject to the Limit of Indemnity, pay to the Insured the cost price of Stock immediately prior to the Loss or Damage.

Documents

In the event of Loss or Damage to documents, Sasria will, subject to the Limit of Indemnity, pay to the Insured the costs, charges and expenses incurred by the Insured in replacing or restoring such documents.

Other Insured Property

In the event of partial Damage where Insured Property is to be restored, Sasria shall, subject to the Limit of Indemnity, pay the cost of restoration of the Insured Property to a condition substantially the same but not better or more extensive than the condition of the Insured Property when new.

Where Insured Property cannot be replaced or reinstated, the amount payable by Sasria will, subject to the Limit of Indemnity be the cost of such item(s) immediately prior to the Loss or Damage ("the replacement value").

Unless otherwise stated in respect of any specific Insured Property above, in the event of Loss or Damage to Insured Property and where Insured Property is capable of replacement with a new item(s) with similar capabilities or functionalities then, at the option of the Insured, such Insured Property shall be valued as follows and the settlement payable for Sasria will, subject to the Limit of Indemnity be based on such valuation:

1. If the Insured Property is to be replaced by an item(s) which has the same or lesser function or capability, then the value thereof shall be the cost of such a new replacement item(s) as would give the same total function or capability as the Insured Property that was Lost or Damaged.
2. If the Insured Property is to be replaced by an item(s) which have a greater function or capability but the cost of such new replacement item(s) is no greater than the replacement value, then no deduction shall be made from the amount payable by Sasria for the improved function or capability.
3. If the Insured Property is to be replaced by an item(s) which have a greater function or capability but the cost of such new replacement item(s) is greater than the replacement value, then a deduction equivalent to the amount by which the cost of such new replacement exceeds the replacement value shall be made from the amount payable by Sasria for the improved function or capability.

06

Extensions (If selected and stated in the schedule to be included)

The below listed extensions are not automatically included in the Policy nor are they automatically applicable to the Insured. They will only apply where the Insured has paid an additional premium for the application of the extension, and where the extension is expressly stated to be included on the Schedule. The Schedule will set out the Sum Insured and relevant sub-limit applicable to each extension, as well as the portion of the total premium that is representative of the cover provided under each selected extension (which will be the equivalent of any such sub-limit for that extension on the underlying policy)

The cover for these extensions, if selected, is subject to and not in addition to or over and above the Limit of Indemnity.

The list of extensions below is not an exhaustive list of extensions that Sasria may, in circumstances and if so requested and agreed to, provide cover for. Where an Insured requires cover for any other extension, it may approach Sasria with

such a request for additional cover for such an extension together with applicable wording for such an extension. Sasria will then assess the wording and may, in its total discretion, agree to cover the Insured for such an extension in exchange for payment of an additional premium. The cover for any such additional extensions covered by Sasria (at its discretion)

Security Costs

BASIS OF SETTLEMENT FOR MOTOR

In the event of Sasria accepting a claim, it will compensate the Insured for the Loss or Damage in accordance with this clause and subject to the Insured having an insurable interest in the Vehicle, and the Limit of Indemnity condition.

Any salvages, recoveries or payments recovered or received by the Insured prior to any claim payment by Sasria shall reduce the amount of any claim settlement accordingly.

If the Vehicle(s) or any equipment, part, or accessory of the Vehicle(s) is/are the subject of a financing arrangement and the Financier and its interest was expressly disclosed and noted, then Sasria will first make payment to the Financier in accordance with its remaining interest in the Vehicle(s), and the balance of any indemnification for the Loss or Damage payable by Sasria will then be paid to the Insured.

Sasria will indemnify the Insured for Loss or Damage as follows:

Total Loss

In the event of a Total Loss to a Vehicle insured under this Policy such that it is, in Sasria's opinion, Damaged beyond economical repair, Sasria will, subject to the Limit of Indemnity, compensate the Insured in accordance with one of the following bases of settlement as expressly elected and stipulated in the Schedule:

Retail Value Basis

Sasria will pay to the Insured, subject to any financing arrangement as reflected above, the lesser of the value specified for the Vehicle in the Schedule and the Retail Value.

Retail Value Basis plus 10% for unspecified extras and accessories

Sasria will pay to the Insured, subject to any financing arrangement as reflected above, the Retail Value, and up to 10% of the insured value of the Vehicle as specified in the Schedule in respect of unspecified extras or accessories fitted in or on the Vehicle.

Replacement Value Basis

In the event of a Total Loss of a Vehicle that is less than 12 (twelve) months old from the date of first registration and the vehicle has travelled less than 30 000km since the date of first registration as new, Sasria will replace the Vehicle with a new vehicle of the same make and model (subject to availability). Where a Vehicle is older than one year and has travelled more or less than 30 000km since its first registration, the basis of settlement will be Retail Value as defined. This is only applicable to Vehicles which are rated as per category M1.

Agreed Value Basis

Where any Vehicle has been the subject of modification or modulation or any adaptation such that it no longer has an accurate or determinable Retail Value, the Insured is required to have the value of the Vehicle assessed and that value (together with the assessment), which must be reasonable and commensurate with the Vehicle, must be represented to Sasria at the time of inception or renewal of the Policy (Valuation certificate must not be older than 12 months). Subject to approval by Sasria and, at its discretion, further assessment or valuation of the Vehicle, this will form the Agreed Value of the Vehicle.

On the happening of Loss or Damage to such a Vehicle that is covered by this Policy and which is insured for an Agreed Value, Sasria will pay to the Insured the Agreed Value and may, at its discretion, make allowance for depreciation of this Agreed Value over time from when the Agreed Value was agreed to.

This Agreed Value basis of cover is applicable to (but not limited to) the following types of Vehicles:

- Vehicles that are of a unique or classic nature and have no Retail Value;
- Vehicles that have been modified for a specific purpose (e.g. delivery vehicles with refrigerator bodies) such that applying a Retail Value is not accurate;
- Vehicles to which non-standard adaptations and modulations have been made, whether to the engine, electrical or mechanical composition, or body of the Vehicle;

- Plant apparatus that has been modified and altered for a specific purpose; and
- The extension of Vehicles through fitted trailers.

E-vehicle compensation Basis

Where the Vehicle is an E-vehicle that does not have a Retail Value, and was not insured under this Policy on an Agreed Value Basis, the extent of Sasria's liability will be determined through an assessment of the reasonable value of the E-vehicle and the constituent electronic parts (including the battery of the E-vehicle) immediately prior to the Loss or Damage through an assessor of Sasria's choosing, less any salvage recoverable for electronic components or batteries.

1. Compliance with manufacturer's requirements and instructions:

- 1.1. Where any Vehicle or E-Vehicle is fitted with an Advanced Driver Assistance System, the Insured or any driver of the Vehicle or E-Vehicle is required to, and hereby warrants that it will adhere to, follow and comply with all manufacturer instructions and install all software updates required by the Advanced Driver Assistance System.
- 1.2. To the extent that the Insured does not comply with the above Special Condition, Sasria may, at its election and, without prejudice to any other rights it may have:
 - 1.2.1. Avoid the Policy;
 - 1.2.2. Reject any claim; or
 - 1.2.3. Reject any portion of a claim that pertains to the replacement or reinstatement of any Advanced Driver Assistance Systems.

Damage but not Total Loss

Where a Vehicle is Damaged, but such Damage can be repaired Sasria will pay the cost of the reasonable repairs by a motor trade company, to restore the Vehicle to a condition similar to that immediately prior to the Damage, provided that such costs do not exceed the Sum Insured or the Limit of Indemnity.

Policy Benefits

This indemnification is only available where Sasria has provided prior written consent for the treatment by a registered counsellor as aforesaid.

Cover for towing costs, storage costs and debris removal costs

Only where Sasria agrees to indemnify the Insured for a claim on one of the abovementioned bases of settlement, then subject to the Limit of Indemnity, this will include cover for the reasonable, necessary and commensurate:

- Towing costs to remove the Vehicle from the scene of an accident or Defined Event and to relocate same;
- Storage costs to store the Vehicle at a repair shop, storage, salvage yard or similar locations until such a time that it is repaired, pending demolition or sale of wreckage;

Credit Shortfall

It is hereby declared and agreed that: if any total loss settlement in terms of this Policy is less than the amount owing to the financier under a current instalment sale or lease agreement, Sasria will pay to the Insured an additional amount equal to the short fall less:

- Any arrears of instalment or rental including interest payable on such arrears;
- All refunds of premium for cancellation of any insurance cover relating to the motor vehicle;
- The increased instalments or rental that would have been paid had there been no residual capital value at the end of the finance period, calculated to the month in which the claim is settled.

PROVIDED always that:

- The amounts payable shall not exceed the retail value of the property plus the additional amounts as stated in this extension.
- This benefit shall not apply to an agreement whereby the amount of any single instalment other than the final residual amount after the initial payment differs by more than 10% from any other instalment.
- If such shortfall is a result of a re-advance under an instalment sale or refinancing in terms of a lease, the insurance by this benefit shall be void.

Credit shortfall benefit is only applicable to vehicles which are rated as per category M1 and M2.
