INSURANCE REVIEW · 17 OCTOBER 2026

Lesedi Group Insurance Review

Your three ONE policies, for your plant, your vehicles and offices, and Edgy Nicollo, set against three market quotations. **Together they come to R13,666 a month less than you pay today, about R164,000 a year. Two need correcting before you sign.**

YOU PAY TODAY	QUOTED, CORRECTED	DIFFERENCE
R67,252/mo	**R53,586/mo**	**−R13,666/mo**
three ONE policies, incl. R5,021 of broker fees	as printed R54,161.50	about R163,993 a year

WHAT YOU PAY, AND WHAT THE MARKET HAS QUOTED

Three policies, three quotations, reconciled to the cent

All three of your policies were placed with ONE on 10 June 2026 through Spectre Wealth. Each quotation below replaces one of them, on the same items and the same limits unless we say otherwise on the pages that follow.

PLANT, ONE TODAY	VEHICLES AND OFFICE	EDGY NICOLLO	ALL THREE
R30,429.25	**R34,733.42**	**R2,089.47**	**−R13,666.05**
Western R23,177.90	Bryte R28,791.98	King Price R1,616.21	a month, −20.3%

PER MONTH	ONE TODAY	QUOTED, AS PRINTED	QUOTED, CORRECTED	DIFFERENCE
Plant all risks ONE PAR/1015740 against Western National	R30,429.25	R23,673.36	R23,177.90	−R7,251.35
Vehicles, office and liability ONE COMM/1008951 against Bryte	R34,733.42	R28,871.93	R28,791.98	−R5,941.44
Edgy Nicollo office ONE COMM/1009095 against King Price	R2,089.47	R1,616.21	R1,616.21	−R473.26
All in, per month	**R67,252.14**	**R54,161.50**	**R53,586.09**	−R13,666.05

⚠ WHY "CORRECTED" DIFFERS FROM THE PRINTED QUOTATIONS

The Western and Bryte quotations both divide the annual Sasria premium by ten instead of twelve to get a monthly figure. Western shows R2,972.76 a month for R29,727.58 a year (correctly R2,477.30); Bryte shows R479.70 for R4,796.98 (correctly R399.75). Everything else on both quotations divides by twelve. We have asked for both to be reissued. The printed totals are R575.41 a month higher than they should be.

WHAT SITS INSIDE TODAY'S PRICE

Your three ONE policies carry **R5,021.19 a month of broker fees** (R3,021.19 on the plant, R1,000 on each commercial policy), in addition to commission. None of the three quotations carries a broker fee. So of the R13,666 saving, about **R8,645 is lower insurance premium** and about **R5,021 is fees you would no longer pay**.

BROKER REMUNERATION TODAY, PER MONTH	BROKER FEE	COMMISSION	TOGETHER
Plant, PAR/1015740	R3,021.19	R5,225.28	R8,246.47
Vehicles and office, COMM/1008951	R1,000.00	R100.24	R1,100.24
Edgy Nicollo, COMM/1009095	R1,000.00	R11.81	R1,011.81
All three	**R5,021.19**	**R5,337.33**	**R10,358.52**

Both figures are printed on your ONE schedules. Commission is included in every insurance premium, ours too; the broker fee is an additional charge on top.

PLANT ALL RISKS · YOUR LARGEST POLICY

Western is cheaper on its rate, but it is not yet insuring the same list

Your ONE plant policy insures **21 items for R27,749,127.25**: six FAW water trucks, two Fuso trucks, a refuse truck, a Sinotruk, two Powerstar tippers and a water truck, a cherry picker, a grader, two TLBs, two tractors, a slasher and a trailer.

⚠ FIX BEFORE YOU SIGN

Western has quoted R1,601,001 less than you insure today and has not attached the list. Until it is matched item by item we cannot tell which machine is short. Insured at your current R27,749,127, Western would be about **R24,587 a month, still R5,842 below today**. The quotation also names "Lesedi Holdings Pty Ltd" rather than Lesedi Holding Solution (Pty) Ltd.

VEHICLES, OFFICE AND LIABILITY

Bryte insures the same 19 vehicles for less, with a higher third party limit

Every vehicle on your ONE commercial policy appears on the Bryte quotation **at the same retail value, to the rand**. Bryte's figures below include its excess waiver on each vehicle.

⚠ FIX BEFORE YOU SIGN

1. Wrongful arrest, legal defence, gratuitous advice and spread of fire back to today's limits. **2.** The excess table, so we can compare it with today's R500 buy-down. **3.** The Powerstar truck (R1,167,250) is placed in the under-3,500kg Sasria class; correctly rated it adds about R317 a month. **4.** The quotation prints no registration numbers and reads "Quotation, Hollard Insurance Company" at the foot of each page under a Bryte heading: we will confirm which insurer carries the risk. **5.** Liability turnover and wages read R0.

The office sections, Edgy Nicollo, and two items to correct

The same cover throughout. King Price's public liability is five times ONE's for the same R2,500,000, so we will ask for it to be re-rated. The liability item is recorded at **River Falls Office Park, Doringkloof, Centurion**, while everything else is at Rigel Avenue: please confirm where Edgy Nicollo works from.

1. YOUR CURRENT POLICY DESCRIBES YOUR BUSINESS AS "MARKETING RESEARCH FIRMS"

That is the description on your ONE commercial policy, including its liability section. Your plant policy insures water trucks, tippers, a grader and TLBs; the Bryte quotation records "logistics, hiring out". **An insurer can decline a claim on a business that was described wrongly.** We will record what you actually do on every new document, including whether any plant or vehicle is hired out to others, because Western excludes theft by a hirer.

2. TRACKING ON YOUR ISUZU D-MAX BAKKIES

Your ONE policy requires **an early warning system and a battery-operated recovery unit on every Isuzu D-Max**, working at the time of a loss, or there is **no theft or hijack cover**. You have six. If they are not fitted today, that is a gap now, before any move. Cartrack can fit and certify both.

WHAT WE RECOMMEND

Move all three, once the corrections are in writing

OUR RECOMMENDATION

All three quotations are cheaper, and on your vehicles the third party and passenger limits are higher than you have today. **We recommend moving all three policies**, on the corrected quotations below, and not on the versions printed today.

POLICY	WHAT MUST CHANGE FIRST	MONTHLY
Plant, Western National	Full list matched to your 21 items at R27,749,127; correct name; Sasria reissued; excess agreed with you	about R24,587
Vehicles and office, Bryte	Liability extensions restored; excess table; Powerstar Sasria; registrations; insurer confirmed	about R29,109
Edgy Nicollo, King Price	Public liability re-rated; address confirmed	R1,616.21
Expected, once corrected	**against R67,252.14 today**	**about R55,312**

The expected figure is higher than R53,586 because it insures your plant at its full value and rates the Powerstar truck correctly. It is still **about R11,940 a month below today, roughly R143,000 a year.**

WHAT WE NEED FROM YOU

- ☐ Three years' claims history (ONE records it as not submitted)
- ☐ Whether any plant or vehicle is hired out
- ☐ Registrations for the Powerstar and the unregistered plant
- ☐ Edgy Nicollo's working address
- ☐ A short description of what the business does
- ☐ Tracking certificates for the six D-Max
- ☐ Model year of tractor HNW135L (2003 or 2026)
- ☐ Wesbank account numbers for the two financed items

KEY DATES

ONE policies incepted	10 Jun 2026
Western quotation valid 60 days	6 Oct 2026
King Price quotation valid 30 days	6 Oct 2026
Bryte quotation valid 30 days	12 Oct 2026
Proposed start 1st of the month, to match the debit order	1 Dec 2026

YOUR RECORD OF ADVICE

Replacing a policy means any reduction in cover must be disclosed to you in writing before you decide. On what we have seen: higher plant excesses at Western, theft by a hirer excluded on plant, lower wrongful arrest and legal defence limits at Bryte until restored, and the liability retroactive date restarting at inception. Each will be confirmed or corrected in writing.
